“2nd International Conference on Obesity & Diabetes

May 14-16, 2018
Melbourne, Australia

Theme
Tomorrow’s Prevention, Today
Invitation

Cenetri Publishing Group is pleased to invite you to participate in the “2nd International Conference on Obesity & Diabetes” to be held during May 14-16, 2018 at Melbourne, Australia with a theme “Tomorrow’s Prevention, Today”. Obesity & Diabetes congress aims to locate advances in health practice, management and education in relation to health disparities as well as in breadth of other topics.

The scientific sessions offer researchers and health-care professionals a unique opportunity to share ideas and learn about significant advances in diabetes research, treatment and care. Over the course of three days, participants will receive exclusive access to more than 30 dynamic and innovative sessions, take part in engaging exchanges with industry-leading experts and expand professional networks. With the best-in-class Speakers from the leading global Diabetes Institutions - this conference would help bring the latest and the best practices in diabetes and obesity care to Clinicians treating people with Diabetes and Obesity.
